

How does the Festival program work?

1. Find a fence to display the mural and get permission to use the fence for a mural. You may need to find out whether the fence is due for replacement in the next 5-10 years.
2. Stream of Dreams Instructors present a shortened version of the watershed education and Dreamfish painting workshops (usually over a 4 to 6 hours festival period). Your event needs to supply a well-ventilated, bright room, or a covered outdoor area if weather permits, 3 - 5 tables for painting and a quiet space nearby where the story portion of the program can be told.
3. The Stream of Dreams team will design and direct the mural installation with help of community volunteers at a convenient time for both groups.
4. Stream of Dreams Lower Mainland has other options of
